## TEAS BY TREGOTHNAN, CORNWALL

### BLACK TEAS

#### ENGLISH BREAKFAST TEA

Malty and rich, made with the widest variety of tea leaves ever grown in England

#### EARL GREY TEA

The ultimate tribute to Earl Grey, created by his descendents at Tregothnan. Cornish tea leaves and natural Bergamot oil.

#### CLASSIC TEA

The first-ever tea produced on British soil, first harvested by Tregothnan in 2005. A quintessentially English tea recipe blended with premium Assam leaves to give it the bold flavour synonymous with a strong, classic English tea.

#### AFTERNOON TEA

Afternoon Tea is a light and exotic blend of their hand-plucked leaves with the finest tea from Darjeeling. Quintessentially British, Afternoon Tea is delicately refreshing with invigorating citrus notes.

### GREEN TEAS

#### GREEN TEA

A smooth and refreshing blend of Tregothnan's greenest leaves blended with the finest Chinese green tea.

#### JASMINE GREEN TEA

Jasmine is a genus of shrubs and vines in the olive family (Oleaceae) and is a favourite from the Far East. Green tea leaves are lightly oxidised, dried and blended with delicately floral jasmine flowers.

### HERBAL TEAS

#### PEPPERMINT \*

This pure peppermint leaf infusion has a unique aroma to match its distinctive and natural taste. Clean, cleansing and intensive in flavour.

#### RED BERRY \*

Strawberries and raspberries are blended with apples from ancient Cornish apple orchards to create this full flavoured, natural fruit tea.

#### LEMON VERBENA \*

Due to the drying process of cold curing rather than using heat, most of the essential oils are retained in the leaves, giving Tregothnan's Lemon Verbena a zingy and fresh aroma with a subtle spice taste.

\* DECAF
